

# DURACELL®

## INVERTERS

- PORTABLE DC TO AC INVERTERS
- USE MAINS POWERED EQUIPMENT OFF-GRID
- ADDITIONAL 5V USB OUTPUT

### 800W POWER INVERTER

- High power inverter with AC & USB outlets
  - 900W peak output
  - Modified sign wave
  - High efficiency cooling fan
  - Direct battery connection or via 12V DC connector\*
- Protection modes:  
DC under voltage / DC over voltage  
Output overload / Over temperature  
DC input reverse

\*12V DC in-car cable only suitable for use up to 175W

Part Number		USB	Voltage		Weight	Size (L x W x H)	EAN		Case Quantity	
			Input	Ouput					Inner	Outer

### 400W POWER INVERTER

- High power inverter with AC & USB outlets
  - 500W peak output
  - Modified sign wave
  - High efficiency cooling fan
  - Direct battery connection or via 12V DC connector\*
- Protection modes:  
DC under voltage / DC over voltage  
Output overload / Over temperature  
DC input reverse

### 175W POWER INVERTER

- DC inverter with dual AC & USB outlets
- 2.4A USB ports
- 3 year warranty

Part Number		USB	Voltage		Weight	Size (L x W x H)	EAN		Case Quantity	
			Input	Ouput					Inner	Outer
